CAMP
Discovery

onboard activities for younger kids

for ages 3 – 7

Welcome to The Treehouse! We invite the younger cruisers to come explore a whimsical forest of captivating creatures and engage in unique experiences designed just for them through our partnership with Discovery Communications.

At Camp Discovery, they'll create paper airplanes with Klutz® art projects, embark on a treasure hunt during Pirate Night and gain a greater appreciation of nature through Animal Planet™ Endangered Species activities. And that's just the beginning.

Let's see what we can discover together!
